Summary

Highly experienced 3D Artist and Technical Director with over 10 years in architectural visualization, animation, design, and interactive media. Proven expertise in combining art and technology to create visually engaging, high-performance experiences. Skilled in pipeline development, optimization, with practical experience in Unity app development.

Where I've worked

ALICETECH

Dec 2025 — Present

3D Artist & Animator

- Created high-quality 3D assets, renderings and animations for commercial projects.

FREELANCE / SELF-EMPLOYED

Apr 2013 — Present

3D Artist & Animator

- Worked with HKS Architects, Haskell Architects and Shine United for close to a decade, producing architectural visualization and animation for major U.S. hospital and healthcare campuses.
- Delivered stills and animation for cancer centers, children's hospitals, neuroscience and musculoskeletal institutes, and academic medical systems, supporting design development, marketing and fundraising.
- Independent projects across residential, hospitality and commercial visualization.

Portfolio highlights: [Baptist MD Anderson Cancer Center](#) · [Wolfson Children's Hospital – Main Campus](#) · [Florida Hospital for Women](#) · [Restoring Light](#) · [Orlando Health Neuroscience Institute](#)

BINYAN

Nov 2024 — Nov 2025

3D Artist

- Delivered high-quality architectural visualization and rendering for global luxury developments.
- Applied advanced modeling and lighting techniques to achieve photorealistic results for client-facing marketing and sales visuals.

Portfolio highlights: [Armani Residences Diriyah](#) · [One Harbor Shore Drive](#) · [Hollywood Moon Miami](#) · [Vela Viento](#) · [The Standard Residences Brickell](#) · [Amancaya](#) · [Ponce Park](#) · [89 Dekalb Brooklyn](#)

ANTEVASIN

Feb 2024 — Sep 2024

3D Artist

- Created high-quality 3D assets and renderings for commercial projects.

Portfolio highlights: [Belgrade Waterfront](#)

AR-TY

Apr 2019 — Jun 2023

Unity3D Developer / 3D Artist / R&D / Animator

- Executed tasks covering the full development cycle: 3D art, animation, rigging, and Unity3D app development.
- Conducted Research and Development (R&D) to integrate new technologies and improve project quality.

Portfolio highlights: [Novi Dorćol](#)

CASE3D

Jan 2012 — Oct 2018

Technical Director / 3D Artist / Animator / R&D

- Provided technical direction for visualization projects.
- Responsible for pipeline development and optimization of project organization.
- Specialized in high-precision hard and organic surface modeling, texturing, lighting, and rendering.

Portfolio highlights: [Belgrade Waterfront](#) · [Porto Montenegro](#) · [Dubai Creek Harbour](#) · [Portonovi](#) · [Address Hotel & Residences](#) · [Vida Palace](#)

Skills

Software, technical expertise and how I work.

Software & technical knowledge

Autodesk 3ds Max (V-Ray, Corona Renderer, Forest Pack, RailClone, MultiScatter, PhoenixFD, etc.)
Adobe (Photoshop, After Effects, Premiere, Lightroom, Substance Painter, etc.)
Unity3D, AutoCAD, XYZ Anima, Mudbox, ArchiCAD, Marvelous Designer, Vicon Boujou, Agisoft PhotoScan, SpeedTree, World Machine, SketchUp, Rhino, Revit, etc.
Programming (C#, Basic, MaxScript, HTML5, JS, CSS)
AI (Stable Diffusion, Gemini Nano Banana, Firefly, etc.)

Expertise

High-precision hard and organic surface modeling
Texturing, lighting, animating, rigging, rendering
Photography, post-production, compositing, VFX
Camera tracking and matching, video and audio editing
2D and 3D matte painting, camera projection
Tools creation
Optimization, organization

Soft skills

Technical direction
Project organization and optimization
Pipeline development

Achievements

Rendering challenges and community placements.

2020	Macintosh Rendering Challenge 1st Place
2020	Star Wars Rendering Challenge 3rd Place
2018	Evermotion Challenge (Anima® 4 splash-screen) Honorable Mention
2017	CROWDED miniCHALLENGE #05 (Anima® 3 splash-screen) 1st Place
2016	Evermotion Challenge 3rd Place

Education

Faculty of Technical Sciences Novi Sad, Serbia
Gymnasium "Nikola Tesla" Apatin, Serbia
